1. SUBMIT enables only when one or more of the 12 text boxes contains a non-zero amount.

2. For each of the 6 BET/WIN rows, a non-zero amount may be entered in only one of the two text boxes in that row. The empty text box must be disabled.

3. All text to left of BET/WIN columns is either static to the template page or static as rendered from the database. User cannot change any of it.

4. User will be prompted after pressing [Submit], e.g.

> You are about to wager
> $420 on this game.
> Are You Sure?
>
> [Yes] [No]

5. User will receive Confirmation once Submit has successfully processed.
